AUDGPI Early Career Academic Primary Care Study Day Registration form

The Association of University Departments of General Practice in Ireland (AUDGPI) is running an 'Academic Primary Care Career Development Study Day' for clinicians and non-clinicians working in or interested in becoming involved with primary care academia (teaching, research, or both).

This event is being hosted by The HRB Centre for Primary Care Research, Department of General Practice in the Royal College of Surgeons in Ireland (RCSI) on the 24th and 25th of November 2016.

- Thursday 24th November (2-5pm) Professor Kathleen Bennett (HRB Research Leader award recipient 2015) will deliver a workshop on applying for research grant funding.

- Friday 25th of November will feature speakers at different stages of their academic primary care careers, will allow an opportunity to meet and network with colleagues from different departments, and offer tips on writing for peer reviewed publication.

A more detailed agenda is provided below.

This event is accredited for ICGP CPD points (total 6.25 external CPD points).

Registration is free but places are limited.
